College: Not the end, but the beginning

Successful career needs these skills:

- Ask the right key questions
- Look at the reliable and trustable sources for the answers
- Summarize and reuse the key information
<table>
<thead>
<tr>
<th>Type</th>
<th>What to get</th>
</tr>
</thead>
<tbody>
<tr>
<td>Scholarly and professional books</td>
<td>Background information, historical context, and the &quot;big picture&quot; for the topic.</td>
</tr>
<tr>
<td>Professional (peer-reviewed) journals and journal articles</td>
<td>Current research, narrowly focused coverage, or details.</td>
</tr>
<tr>
<td>Experts and researchers</td>
<td>Advice, current research and trends.</td>
</tr>
<tr>
<td>Conference proceedings</td>
<td>Current research or progress in projects, new ideas.</td>
</tr>
</tbody>
</table>
