Guides, Tutorials and Tools

Guides

The **Guides** correspond to courses of study offered at the university. Prepared by librarians with subject expertise, they provide a starting point for library research.

Tutorials

Video Tutorials are available to help you learn how to...

- Locate Guides
- Access library resources off-campus
- Contact your liaison librarian
- Log into your library account
- Request a book through CLS
- Request an article
- Submit an ILL book request
- Create a lynda.com account
